

**RUGGED • RELIABLE
INSTANT SHELTER**

Attention Campers and Overlanders!

Introducing the Patented

LC-8 for Ground, Truck, Water, & Ice

What's in your backseat?

INTRODUCING THE LC-8: The most versatile tent ever

Our most recent shelter innovation is ideal for all terrains; camping on the ground, truck, lake, or ice. Provides shelter, privacy, and adjustable mattress. Inflate once, holds air for months.

KEY BENEFITS

- Versatile: for GROUND or TRUCK, or ICE with BUOYANT FLOOR
- Sets up in only 15 minutes
- Interior room to walk around, 64 sq ft.
- Easy reach to load provisions
- Sleeps 2 adults + 4 kids
- Elevated from dirt, mud, bugs, rodents, animals, etc.
- Adjustable floor firmness – no extra mattress needed.
- Options:
 - Environmental Control Canopy (add \$500)
 - Insulation lining (add \$500)
- Compact storage, easy to transport: 2 bags fit in car trunk or backseat.
